

# Race Licence for Juniors in Victoria

This always confuses people new to the sport!

## In Summary

- ❖ The SSA website describes various categories
- ❖ A Race licence is not required for Vic Junior Championships.
- ❖ A Race Licence is required for all juniors who want to race in any National Championships or in NSW

Choosing the correct one is the next challenge! A Sport Licence (\$27.50) will be sufficient for most juniors, including those interested in selection to the National Junior Team. However, if you want a Senior ranking or need a FIS Licence to race with the team internationally, then you must get either a National Licence or a FIS Licence.

So, if you do not need senior ranking or a FIS Licence, get a Sport Licence!

## To register for a Race Licence

- 📌 Go to Ski and Snowboard Australia ([www.skiandsnowboard.org.au](http://www.skiandsnowboard.org.au))
- 📌 Click on XC
- 📌 Click on Membership (membership = licence)
- 📌 Get "**SPORT RACER**" if you *do not* want SENIOR ranking or a FIS licence for international racing.

The following link will take you directly there:

All athletes who wish to take part in SSA and/or FIS Sanctioned competition must be a member of SSA.

To become a member, you can register through the SSA website, by clicking on the 'Membership' tab.

Membership Benefits Include:

- Enables you to compete in domestic SSA state and national competitions\*
- Enables you to compete in FIS sanctioned competitions\*\*
- Free reciprocal membership with one state Sporting Organisation (SSO). The SSO's are Snowsports ACT, NSW Snowsports, Tasmanian Ski Council and Victorian Snowsports Association

- Free subscription to SSA E-Newsletter
- Discount on SSA Merchandise and tickets to SSA events
- SSA Freestyle Handbook

\* Cross Country Sport and National memberships

\*\* Cross Country International membership

### Membership Types 2013/14

#### Cross Country – Sport Racer \$27.50

Sport Cross Country Racer registration includes Associate SSA Membership and is for skiers competing in Sports Class (including Masters) at Senior Championship events and all Junior (U/20) Championship events. Please note junior athletes wishing to be eligible for Senior ranking and Senior National Team selection will require 'National Racer' registration. Junior athletes requiring FIS registration will need to purchase 'International Racer' registration.

#### Cross Country – National Racer \$82.50

National Racer includes Individual SSA Membership and Cross Country Registration. This category is for athletes of all ages who wish to compete domestically in Australian Championships and NSW and ACT Championships. Competitors in this category are eligible for Senior National Ranking and Senior National Team selection.

#### Cross Country – International Racer \$148.50

International Racer includes Individual SSA Membership, National Cross Country Registration, FIS Registration and the International Competition License (ICL)\*. Applicants must be born in 1997 or earlier to be eligible for this registration. \*The ICL is required for International Competitions and will only be activated once insurance covering competitive Cross Country Skiing is provided to the SSA Office.
