

Statement of Commitment to Child Safety

Birkebeiner Nordic Ski Club is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making.

Birkebeiner Nordic Ski Club has zero tolerance for child abuse.

Birkebeiner Nordic Ski Club is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.

Every person involved in Birkebeiner Nordic Ski Club has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.
