### PURPOSE

This policy was written to demonstrate the strong commitment of the committee and volunteers of the BNSC to child safety and to provide an outline of the policies and practices the Club has developed to keep everyone safe from any harm, including abuse.

### COMMITMENT TO CHILD SAFETY

All children who are a part of the Club have a right to feel and be safe. The welfare of the children in our care will always be our first priority and the Club has a zero tolerance to child abuse. The Club aims to create a child safe and child friendly environment where children feel safe and have fun and the Club's activities are always carried out in the best interests of the children.

### APPLICATION OF THIS POLICY

This policy was developed by the BNSC committee.

This policy applies to all individuals involved in our organisation including, but not limited to:

- Administrators
- Coaches
- Officials
- Participants
- Parents
- Spectators.

All of the people to which this policy applies have a role and responsibility in relation to child protection. They must all:

- understand the indicators and risks of child abuse;
- appropriately act on any concerns raised by children; and
- understand and follow all applicable laws in relation to the protection of children and reporting or management of child safety concerns.

### CHILD ABUSE

Child abuse can take a broad range of forms including physical abuse, sexual abuse, emotional or psychological abuse and neglect. People to whom this policy applies need to be aware that child abuse can occur whenever there is actual or potential harm to a child, and that these are circumstances that the Club is committed to reducing the risk of occurrence.

## **CHILDREN'S RIGHTS TO SAFETY AND PARTICIPATION**

The Club encourages children to express their views about their safety. We listen to their suggestions, especially on matters that directly affect them. We actively encourage all children who use our services to 'have a say' about things that are important to them.

We teach children about what they can do if they feel unsafe. We listen to and act on any concerns children, or their parents, raise with us.

## **VALUING DIVERSITY**

We value diversity and do not tolerate any discriminatory practices. To achieve this, where relevant and possible we:

- promote the cultural safety, participation and empowerment of Aboriginal children and their families;
- promote the cultural safety, participation and empowerment of children from culturally and/or linguistically diverse backgrounds and their families;
- welcome children with a disability and their families and act to promote their participation where possible

## **RECRUITING VOLUNTEERS**

The Club takes the following steps to ensure best practice standards in the recruitment and screening of club members and volunteers including the International coach:

- Interview and conduct referee checks on members and volunteers
- Require police checks and Working with Children Checks for and when relevant.
- Our commitment to Child Safety and our screening requirements are included in all advertisements and as part of the induction process for new volunteer coaches including the annual Junior Birkie Camp.

## **SUPPORTING CLUB MEMBERS AND VOLUNTEERS**

We provide support and supervision so people feel valued, respected and fairly treated. We have developed a Code of Conduct to provide guidance to our volunteers, all of whom receive advice on the requirements of the Code.

This Code of Conduct is available online and is posted on the clubhouse notice board. Prior to the season or Junior Birkie Camp, coaches will be asked to sign and adhere to the BNSC Code of Conduct.

## **REPORTING A CHILD SAFETY CONCERN OR COMPLAINT**

The Club has appointed the BNSC Secretary as the Child Safety Person with the specific responsibility for responding to any complaints made by volunteers, parents or children. That person can be contacted by emailing [secretary@birkebeiner.org.au](mailto:secretary@birkebeiner.org.au) or contacting the secretary in person. BNSC complaints process can be found in the Grievance and Member Protection Policy as outlined by Ski and Snowboard Australia. ([www.skiandsnowboard.org.au/about/important-documents/](http://www.skiandsnowboard.org.au/about/important-documents/))

## **RISK MANAGEMENT**

We recognise the importance of a risk management approach to minimising the potential for child abuse or harm to occur and use this to inform our policy, procedures and activity planning. In addition to general occupational health and safety risks, we proactively manage risks of abuse to our children. To reduce the risk of child abuse occurring, adults to whom this policy applies should avoid direct, unsupervised contact with children. For example, this should be a consideration when:

- using change room facilities;
- using accommodation or overnight stays;
- travel; or
- physical contact when coaching or managing children.

### **Working With Children Check**

BNSC has a Working With Children Policy that will be adhered to. *This policy is available in the clubhouse and on the website.* The BNSC Secretary will maintain a register of copies of WWCC.

### **REVIEWING THIS POLICY**

This policy will be reviewed every two years and we undertake to seek views, comments and suggestions from children, parents, carers, staff and volunteers involved in the Club.
