Falls Creek Lakeside Development

Dear XC skier,

Attached below is information outlining a proposed development by Falls Creek Resort Management.

While we fully support the Lakeside Development for green season use, we strongly oppose the proposed clearing of the BHP (Bogong High Plains) road during winter. If the winter road clearing goes ahead, it will have a devastating effect on cross-country skiing. It is ill-conceived and is a significant blow to the world-class skiing that we all enjoy.

There is a **zoom workshop on Tuesday 21 June 6.30-8.30 pm** organised by Falls Creek Resort Management to discuss the proposal. Please register either using the link below or by calling (03) 57581200.

We need the support of all members of the Australian XC ski community to help stop the winter clearing of BHP road.

Thanks,
