Mount Bogong Conquestathon

Another Mt Bogong Conquestathon was successfully run by volunteers from Birkebeiner Nordic Ski Club Search and Rescue and the Hoppet Organising Committee.

Conditions were perfect on a beautiful autumn day, 2nd March 2024. Nearly 250 participants either walked or ran the 21km return trek to the summit of Victoria's highest mountain, Mt Bogong (1986 m). Of special note, Simon Goss completed his 50th Conquestathon and was presented with a lifetime membership to the event. Officially, this was the 44th Conquestathon, but the event started in 1974 and Simon has climbed the mountain every year since then, even in the 6 years when the event was cancelled.

The event raised funds for the BNSC Search and Rescue.
