Waxing Clinic 25 July

Hello,

Thursday 25 July the Birkebeiner Nordic Ski Club and Snow Australia will be presenting an XC waxing clinic with Jacob Huseby.

Jacob, a US ski coach who is currently the Falls Creek National Training Centre Coach, has coached on the US Super Tour, the US National Champs, waxed for the Estonian World Cup Team, and has worked with the Start Wax team at world cups in Finland.

So, no shortage of the latest information that he can share.

Jacob will host an educational evening for those interested in ski selection, base preparation including hand structuring glide waxing in the new non fluor era, and of course the intricacies of kick waxing.

The clinic will be held at the Hoppet meeting room starting at 5.30 pm, going for approximately 1.5 hours.

The clinic is free for BNSC members with a small fee of \$20 for non members.

This will be an informative evening from an up-to-date professional ski coach.

For more information, please contact me on president@birkebeiner.org.au

Cheers,
Andrew
