From Merino Muster

New Zealand is very excited to finally

have a New Zealand woman becoming a Worldloppet Master. Alice, just 25 makes it even more special, getting the younger generation to become Worldloppet Masters is not easy.

Alice plus girlfriend are looking for some accommodation from Thursday before the Hoppet. Alice is happy with very modest accommodation, she loves billeting. She is an instructor at Snow Farm. During her Worldloppet quest this European winter she wrote very amusing blogs and posted them on the [Merino Muster website](#).
